NAVY AND MARINE CORPS MEDICAL NEWS

September 2013
MEDNEWS: News of Interest

In September, Navy Medicine highlights its multi-joint presence. The theme of the month is "Navy Medicine: A Global Network." The month's focus is on the many ways Navy Medicine is working with the Marine Corps, the U.S. Coast Guard, and the U.S. Air Force to provide medical support to our troops and the public.

Find us on Facebook at U.S. Navy Medicine and Surgery. Follow us on Twitter @NavyMedicine and our public page on YouTube. Thank you all for your continued support of MEDNEWS throughout the year.

Did You Know?
In celebrating the force health protection mission, the U.S. Navy, U.S. Marine Corps, U.S. Coast Guard, and U.S. Air Force are working together to ensure the health and readiness of our troops and the public. Navy Medicine is engaged in all aspects of expeditionary medical operations, ensuring the readiness of our troops and the public.

Medical headquarters joins healthy base initiative

By Jim Sweeney, American Forces Press Service

AJLTA (JCS BCL) Va. - Defense officials are putting what they think is the United States' healthiest base in the world to the test of a new initiative. "Healthy Base Initiative" is the name of the program, which is aimed at making sure that the health of our troops and the public is the top priority. The program is a part of the U.S. Navy's effort to ensure the health and readiness of our troops and the public. The program is a part of the U.S. Navy's effort to ensure the health and readiness of our troops and the public. An Official Public Affairs Publication of the U.S. Navy Bureau of Medicine and Surgery

Navy Medicine is proud to present the September 2013 issue of the Navy and Marine Corps Medical News newsletter. This edition of MEDNEWS features various articles and photos highlighting the great work being done across the Navy Medicine enterprise from research and development around the world to medical training in the fleet to community outreach in San Antonio. This month highlights Suicide Prevention.
